

# SAVERNI NEUTECH PVT LTD

QUALITY,  
CONSISTENCY &  
GROWTH

# ABOUT US

**Saverni Neutech Pvt Ltd** is a dynamic conglomerate with a bold vision to lead innovation and sustainable growth across diverse industries. Founded on the principles of integrity, excellence, collaboration, innovation, and sustainability.

**Saverni Neutech Pvt Ltd** is committed to making a positive impact on society while driving success in every venture it undertakes.

## Industries Catered To:

Marine

Automotive  
Components

Earth Moving

Automobiles  
& EGR

Boiler &  
Turbine Parts

Hardware &  
Power Transmission

Defence &  
Aerospace

Textile &  
Machinery

Healthcare

## OUR VISION

To be an exceptional leader in precision engineering and manufacturing, setting new benchmarks for efficiency, reliability, and innovation in the automotive industry.

## OUR MISSION

To deliver superior automotive components through advanced manufacturing, fostering strong customer partnerships, empowered teams, and continuous innovation, creating lasting value for all stakeholders.

## OUR VALUES

### INTEGRITY

Upholding honesty and transparency in all actions.

### EXCELLENCE

Striving for superior quality and continuous improvement.

### COLLABORATION

Fostering teamwork, partnerships, respect, and diversity.

### INNOVATION

Embracing creativity and forward-thinking solutions.

### SUSTAINABILITY

Committing to environmental stewardship and social responsibility.

# OUR VALUE PROPOSITION

Agility & Responsiveness

Efficient Decision-Making

Visionary Leadership

Strong Financial Foundation

Collaborative & Skilled Team

Collaborative & Skilled Team

## APPROVED PPAP SET UP FROM ESTEEMED COMPANIES

# OUR PRODUCTS

## Connecting Rods

- Weight Range: 0.3 - 12 Kg
- Centre Distance: 90 - 320 mm
- Material: Micro Alloy Steel, Plain Carbon
- Passenger Vehicles
- Commercial Vehicles
- Genset Application
- Freight Carriers
- Marine & General Engineering

# Ready for Assembly Connecting Rods

Bus and Truck Con Rod

Compatible for Construction Equipment

Compatible for Tractors

# MANUFACTURING CAPABILITIES

▶ Plant Area	<b>7 Acres</b>
▶ Production Floor Area	<b>40,000 Sq. Ft.</b>
▶ Quality Control Area	<b>1,500 Sq. Ft.</b>
▶ Office Space Area	<b>5,200 Sq. Ft.</b>
▶ Production Capacity	<b>1,25,000 Pcs/Month</b>
▶ Man Power	<b>250 Optimum</b>

## Machining Facility

1,25,000 Pcs/Month

## Quality Control Facility

3 - Highly Equipped Labs

## Forging Facility

12000 Metric Ton/Year

## ISO & D-U-N-S

Certified

# MACHINING CAPABILITIES

Our advanced infrastructure of **192 Machines** powers precision, efficiency, and scale, delivering a production capacity of **1,25,000 pcs/month**.

## Key Facilities:

- VMC & HMC Machines
- Boring & Milling Machines
- Fracture Press
- Honing Machines
- Laser Scribing
- Gun Drilling Machines

*Wide range of Special Purpose Machines (SPMs)*

# MACHINING FACILITY

**Connecting Rod M/cing Line - 6 Nos**

**Capacity - 1,25,000/Month**

**Weight Range - 0.7 kg to 12kg**

# QUALITY CONTROL FACILITY

Cutting-Edge Quality Control Facilities with **3 Fully Equipped Labs** ensure high accuracy, reliability, and defect-free production.

Roundness Testing

Millipore Testing Setup

## Key Facilities:

- CMM (Croma)
- Millipore Testing Setup
- Magnaflux Crack Detection
- Multigauge for Dimensional Checks
- Roundness Testing Machine
- Profile Projector

# QUALITY CONTROL FACILITY

**CMM (Croma)**

**Profile Projector**

**Magnaflux Crack Detection**

# MEET OUR TEAM

Behind every achievement at Saverni Group is a team of passionate professionals driven by excellence and precision.

## Our Team Brings Together:

- **Engineering Experts** – Delivering precision and reliability in every component.
- **Innovation Leaders** – Accelerating innovation to meet evolving industry needs.
- **Skilled Workforce** – Ensuring speed, scale, and reliability in operations.
- **Customer Champions** – Building strong partnerships and delivering value.

# MEET OUR LEADERSHIP

At the heart of Saverni Neutech Pvt Ltd's success is a team of visionary leaders who bring decades of expertise, entrepreneurial drive, and a shared commitment to growth, innovation, and excellence.

Their diverse expertise across manufacturing, healthcare, real estate, and global ventures fuels our expansion and ensures we remain a trusted partner worldwide.

**Mr. Sandeep Vadodaria**

Director

- **Serving** as the **Managing Director** of Saverni Neutech Pvt Ltd.
- **Partner** at Ganesh Builders and Beyondcare Lifesciences LLP.
- **Owner** of JJ Organics for organic farming.
- Holds key positions in various **Ventures**.
- **Past associations** as an Ex-Partner at Marshal Forging and Technofinish Industries.

**Ms. TruptiKothari**

Director

- **Senior Management** member at Saverni Neutech Pvt Ltd.
- **Partner** at Beyondcare Lifescience LLP.
- Holds **Directorial Positions** at Patel Narayandas Bhagwandas Fertilizers Pvt Ltd.
- Holds **Directorial Positions** at Kalpita Builders Pvt Ltd in Jalgaon, as well as Gitaneel Builders Pvt Ltd in Mumbai.
- She served as a **Senior Consultant** at Premier Consultants.

# Our Value to OEMs

- **Decades of Expertise** – Proven track record in precision-engineered connecting rods & automotive components.
- **World-Class Facilities** – Machining, forging, and testing capacity aligned with global OEM standards.
- **OEM Partnerships** – Trusted by Cummins, Tata, John Deere, Lombardini, and more.
- **Speed + Accuracy** – Ability to scale fast while maintaining uncompromising precision.
- **Innovation Mindset** – Expanding into EV and aerospace-grade components.

# ISO & D-U-N-S CERTIFIED

"If you want to walk fast, walk alone; if you want to walk far, walk together"

# CONNECT WITH US

Allow us to be a part of your journey as we empower growth, drive innovation, and create lasting impact across diverse industries.

Together, we can build a brighter and more prosperous tomorrow with Saverni Neutech Pvt Ltd leading the way.
